a tale of two cities novel by charles dickens published both serially and in book form in 1859 the story is set in the late 18th century against the background of the french revolution although dickens borrowed from thomas carlyle s history the french

revolution for his sprawling tale of london and revolutionary paris the novel offers more drama than accuracy the scenes of large scale mob violence are especially vivid if superficial in historical understanding the complex plot involves sydney carton s sacrifice of his own life on behalf of his friends charles darnay and lucie manette while political events drive the story dickens takes a decidedly antipolitical tone lambasting both aristocratic tyranny and revolutionary excess the latter memorably caricatured in madame defarge who knits beside the guillotine the book is perhaps best known for its opening lines it was the best of times it was the worst of times and for carton s last speech in which he says of his replacing darnay in a prison cell it is a far far better thing that i do than i have ever done it is a far far better rest that i go to than i have ever known

a tale of two cities is an 1859 historical novel by charles dickens set in london and paris before and during the french revolution the novel tells the story of the french doctor manette his 18 year long imprisonment in the bastille in paris and his release to live in london with his daughter lucie whom he had never met the story is set against the conditions that led up to the french revolution and the reign of terror dickens best known work of historical fiction a tale of two cities is regularly cited as the best selling novel of all time

a tale of two cities is a novel by charles dickens set in london and paris before and during the french revolution the novel depicts the plight of the french peasantry demoralized by the french aristocracy in the years leading up to the revolution the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution and many unflattering social parallels with life in london during the same period it follows the lives of several characters through these events a tale of two cities by charles dickens deals with the major themes of duality revolution and resurrection it was the best of times it was the worst of times in london and paris as economic and political unrest lead to the american and french revolutions the main characters in dickens a tale of two cities doctor alexandre manette charles darnay and sydney carton are all recalled to life or resurrected in different ways as turmoil erupts a tale of two cities is one of only two works of historical fiction by charles dickens it has fewer characters and sub plots than a typical dickens novel dickens relies much on the french revolution a history by thomas carlyle as a historical source dickens wrote in his preface to tale that no one can hope to add anything to the philosophy of mr carlyle s wonderful book a tale of two cities was published in weekly installments from april 1859 to november 1859 in dickens s new literary periodical titled all the year round all but three of dickens s previous novels had appeared only as monthly installments with sales of about 200 million copies a tale of two cities is the biggest selling novel in historythe 45 chapter novel was published in 31 weekly instalments in dickens s new literary periodical titled all the year round from april 1859 to november 1859 dickens also republished the chapters as eight monthly sections in green covers all but three of dickens s previous novels had appeared only as monthly instalments the first weekly instalment of a tale of two cities ran in the first issue

of all the year round on 30 april 1859 the last ran thirty weeks later on 26 november the three most important aspects of a tale of two cities a tale of two cities is told from the omniscient or all knowing point of view the narrator or storyteller who is never identified has access to the thoughts and feelings of all the characters a tale of two cities which is one of two historical novels written by charles dickens is set in london and in paris and the french countryside at the time of the french revolution the book is sympathetic to the overthrow of the french aristocracy but highly critical of the reign of terror that followed dickens characterizes the men and women who populate a tale of two cities less by what the book s narrator or the characters themselves say and more by what they do as a result the novel seems somewhat modern despite being set in the 18th century and written in the 19th century
